The financial information in the two immediately preceding paragraphs is unaudited and is extracted from NATIXIS’ press release published on 8 November 2018 relating to the unaudited financial information of NATIXIS for the third-quarter 2018.

As at 30 June 2018, NATIXIS’ total assets were € 520.1 billion. As at 30 June 2018, NATIXIS’ net revenues for the six months ended 30 June 2018 were € 4,989 million, its gross operating income was € 1,554 million and its net income (group share) was € 903 million.

As at 30 June 2017, NATIXIS’ total assets were € 510.4 billion. As at 30 June 2017, NATIXIS’ net revenues were € 4,756 million, its gross operating income was EUR 1,391 million and its net income (group share) was € 768 million.

The financial information in the two immediately preceding paragraphs is unaudited and is extracted from NATIXIS’ press release published on 2 August 2018 relating to the unaudited financial information of NATIXIS for the second-quarter 2018 and first semester 2018 ended 30 June 2018.

As at 31 March 2018, NATIXIS’ total assets were € 512.4 billion. As at 31 March 2018, NATIXIS’ net revenues were € 2,412 million, its gross operating income was € 618 million and its net income (group share) was € 323 million.

As at 31 March 2017, NATIXIS’ total assets were € 508.9 billion. As at 31 March 2017, NATIXIS’ net revenues were € 2,347 million, its gross operating income was € 576 million and its net income (group share) was € 280 million.

The financial information in the two immediately preceding paragraphs is unaudited and are extracted from NATIXIS' press release published on 17 May 2018 relating to the unaudited financial information of NATIXIS for the first quarter ended 31 March 2018.

On 18 December 2018, NATIXIS announces that net revenues for its businesses should reach around €2bn in the fourth quarter of 2018. This compares with €2.25bn in the quarter of 2017, representing a decrease of around 10% over the quarter and of less than 1% over the full year. This contraction is entirely attributable to the occurrence of a risk of exceptional nature. Excluding this non-recurring item, 4Q18 net revenues for the businesses will be in line with the same period last year despite less favorable market conditions, illustrating the resilience and the robustness of Natixis' business model.

This item of exceptional nature relates to the deterioration of market conditions in Asia which was already flagged at the occasion of the second and third quarter results as weighing negatively on the equity derivatives activity. In the fourth quarter of the year, the model used to manage some specific products traded with clients in Asia led to a hedging strategy that proved to be deficient under current market conditions. This will result in a €100m reduction in Natixis' net revenues in the fourth quarter of 2018, in addition to a €160m provision to cover the management of this product book.

This revenue reduction is non-recurring and relates to an activity which was not significantly contributing to the medium-term plan revenues. As such, this occurrence does not call into question the objectives of the New Dimension strategic plan disclosed on September 12th 2018, which are all maintained, including a minimum 60% ordinary payout ratio.

The ordinary dividend will furthermore be supplemented by the payment of a €1.5bn special dividend stemming from the sale of the retail banking activities to BPCE SA, to be paid upon completion of the transaction.”

- ”The information contained in the Base Prospectus on page 13 of the section [B.19]/B.12 under the heading “*Significant changes in the financial or trading position*” is hereby deleted and replaced in its entirety by the following:

“Not Applicable. There has been no significant change in the financial or trading position of NATIXIS since 31 December 2018.”

RECENT DEVELOPMENTS

From the date of this Supplement, the section entitled “RECENT DEVELOPMENTS” appearing on page 1200 of the Base Prospectus, is hereby deleted and replaced as follows :

“By a decision of the Chief Executive Officer of NATIXIS on 1 March 2018, the new NATIXIS share capital is €5,021,289,259.20 divided into 3,138,305,787 fully paid up shares of €1.60 each.

By a decision of the Board of Directors of NATIXIS on 27 April 2018, François Riahi was appointed new Chief Executive Chairman of Natixis. He will succeed Laurent Mignon in this role from the 1 June 2018 on.

On 12 September 2018, the Groupe BPCE Supervisory Board and the Natixis Board of Directors approved the planned disposal of Natixis’ Factoring, Sureties & Guarantees, Leasing, Consumer Financing, and Securities Services businesses to BPCE SA. This proposal has been submitted to the supervisory authorities for approval. This planned transaction would involve the Natixis Factor, CEGC, Natixis Lease, Natixis Financement and Eurotitres teams joining BPCE SA by the end of the first quarter of 2019.

On 18 December 2018, NATIXIS announces that net revenues for its businesses should reach around €2bn in the fourth quarter of 2018. This compares with €2.25bn in the quarter of 2017, representing a decrease of around 10% over the quarter and of less than 1% over the full year. This contraction is entirely attributable to the occurrence of a risk of exceptional nature. Excluding this non-recurring item, 4Q18 net revenues for the businesses will be in line with the same period last year despite less favorable market conditions, illustrating the resilience and the robustness of Natixis’ business model.

This item of exceptional nature relates to the deterioration of market conditions in Asia which was already flagged at the occasion of the second and third quarter results as weighing negatively on the equity derivatives activity. In the fourth quarter of the year, the model used to manage some specific products traded with clients in Asia led to a hedging strategy that proved to be deficient under current market conditions. This will result in a €100m reduction in Natixis’ net revenues in the fourth quarter of 2018, in addition to a €160m provision to cover the management of this product book.

This revenue reduction is non-recurring and relates to an activity which was not significantly contributing to the medium-term plan revenues. As such, this occurrence does not call into question the objectives of the New Dimension strategic plan disclosed on September 12th 2018, which are all maintained, including a minimum 60% ordinary payout ratio.

The ordinary dividend will furthermore be supplemented by the payment of a €1.5bn special dividend stemming from the sale of the retail banking activities to BPCE SA, to be paid upon completion of the transaction.

There have been no recent developments in relation to NATIXIS since 31 December 2018.

There have been no recent developments in relation to Natixis Structured Issuance SA since 31 December 2017.”
