## **CHANGES IN INEOS STYROLUTION MANAGEMENT**

**INEOS Styrolution, the global leader in styrenics, announces CEO change.**

**Kevin McQuade, who has led the company as Chief Executive Officer since January 1, 2015 has been appointed as Chairman of INEOS Styrolution.**

Steve Harrington, currently President Global Styrene Monomer and Asia-Pacific for INEOS Styrolution, has been appointed as CEO reporting to Kevin. The change will be effective from July 1, 2020. Harrington has a 30-year career in the chemical industry, the last 19 years working for INEOS in commercial and senior management roles. Steve also has prior experience with ICI and Unilever. He holds a degree in chemistry from Hull University in England.
