

Milan, March 25, 2022

The Aponte family and the Onorato family are pleased to announce that they have reached an agreement aimed at the MSC Group's capital increase in Moby.

The purpose of this capital increase is aimed at the payment of Tirrenia di Navigazione in A.S. in addition to allowing the prompt reorganization of the Moby Group, also in the interest of 6.000 workers.

The MSC Group will hold a minority stake in Moby.
