(established as a general partnership under the laws of the State of Delaware)

€4,000,000,000

Euro Medium Term Note Programme

This document comprises two base prospectuses (together the **Prospectus**): (i) the base prospectus for SES S.A. (**SES**) (formerly SES Global, S.A.) in respect of non-equity securities within the meaning of Article 22 no. 6(4) of Commission Regulation (EC) No. 809/2004 of 29 April 2004 implementing Directive 2003/71/EC of 4 November 2003 of the European Parliament and of the Council on the prospectus to be published when securities are offered to the public or admitted to trading and amending Directive 2001/34/EC, as amended (the **Notes**) to be issued by it under this €4,000,000,000 Euro Medium Term Note Programme (the **Programme**) and (ii) the base prospectus for SES Global Americas Holdings GP (**SES Americas**) in respect of Notes to be issued by it under this Programme. Under the Programme, SES and SES Americas (each an **Issuer** and, together, the **Issuers**) may from time to time issue Notes denominated in any currency agreed between the relevant Issuer and the relevant Dealer (as defined below).

The payment of all amounts due in respect of the Notes issued by SES Americas will be unconditionally and irrevocably guaranteed by SES and the payment of all amounts due in respect of the Notes issued by SES will be unconditionally and irrevocably guaranteed by SES Americas (each in its capacity as guarantor, the **Guarantor**).

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €4,000,000,000 (or its equivalent in other currencies calculated as described in the Programme Agreement described herein), subject to increase as described herein.

The Notes may be issued on a continuing basis to one or more of the Dealers specified under “*Overview of the Programme*” and any additional Dealer appointed under the Programme from time to time by the relevant Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Prospectus to the **relevant Dealer** shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks, see “*Risk Factors*” on pages 13 to 22.

Application has been made to the *Commission de Surveillance du Secteur Financier* (the **CSSF**) in its capacity as competent authority under the Luxembourg Act dated 10 July 2005 on prospectuses for securities (the **Prospectus Law**) to approve this document. Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme described in the Prospectus to be listed on the official list of the Luxembourg Stock Exchange (the **Official List**) and admitted to trading on the regulated market of the Luxembourg Stock Exchange (the **Regulated Market**). References in this Prospectus to Notes being **listed** (and all related references) shall mean that such notes have been listed on the Official List and admitted to trading on the Regulated Market. The Luxembourg Stock Exchange’s Regulated Market is a regulated market for the purposes of the Markets in Financial Instruments Directive (Directive 2004/39/EC). Pursuant to article 7(7) of the Luxembourg Prospectus Act, by approving this prospectus, the CSSF gives no undertaking as to the economic and financial soundness of the Notes to be issued hereunder or the quality or solvency of the Issuers.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under “*Terms and Conditions of the Notes*”) of Notes will be set out in a final terms document (the **Final Terms**) which will be filed with the CSSF. The minimum denomination of each Note admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive (as defined below) will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets as may be agreed between the relevant Issuer, the relevant Guarantor and the relevant Dealer. The Issuers may also issue unlisted Notes and/or Notes not admitted to trading on any market.

The rating of a certain Series of Notes to be issued under the Programme may be specified in the applicable Final Terms. Whether or not each credit rating applied for in relation to the relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 (the **CRA Regulation**) will be disclosed in the Final Terms. In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused.

The Notes of each Tranche will initially be represented by a temporary global Note which will be deposited on the issue date thereof with a common depository or a common safekeeper, as the case may be, on behalf of Euroclear Bank S.A./N.V. (**Euroclear**), and Clearstream Banking, société anonyme (**Clearstream, Luxembourg**) and/or any other agreed clearance system which will be exchangeable, as specified in the applicable Final Terms, for either a permanent global Note or Notes in definitive form, in each case upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations. A permanent global Note will be exchangeable for definitive Notes, either upon request or in certain limited circumstances, all as further described in “*Form of the Notes*” below.

The relevant Issuer and the relevant Guarantor may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event a Supplement to the Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Each of SES and SES Americas (the *Responsible Persons*) accepts responsibility for the information contained or incorporated by reference in this Prospectus. To the best of the knowledge of each of SES and SES Americas (each having taken all reasonable care to ensure that such is the case) the information contained or incorporated by reference in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

Subject as provided in the applicable Final Terms, the only persons authorised to use this Prospectus in connection with an offer of Notes are the persons named in the applicable Final Terms as the relevant Dealer or the Managers and the persons named in or identifiable following the applicable Final Terms as the Financial Intermediaries, as the case may be.

This Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see “*Documents Incorporated by Reference*” below). This Prospectus shall be read and construed on the basis that such documents are incorporated and form part of this Prospectus.

Neither the Arranger, nor the Dealers have independently verified the information contained or incorporated by reference herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arranger or the Dealers as to the accuracy or completeness of the information contained or incorporated in this Prospectus or any other information provided by SES or SES Americas in connection with the Programme. To the fullest extent permitted by law, none of the Dealers or the Arranger accept any responsibility for the contents of this Prospectus or for any other statement, made or purported to be made by the Arranger or a Dealer or on its behalf in connection with the Issuers, the Guarantors, or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement.

No person is or has been authorised to give any information or to make any representation not contained or incorporated by reference in or not consistent with this Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by SES or SES Americas or the Arranger or any of the Dealers.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Notes (a) is intended to provide the basis of any credit or other evaluation or (b) should be considered as a recommendation by SES or SES Americas or the Arranger or any of the Dealers that any recipient of this Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of SES and/or SES Americas. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of SES or

SES Americas or the Arranger or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained or incorporated by reference herein concerning SES or SES Americas is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Arranger and the Dealers expressly do not undertake to review the financial condition or affairs of SES or SES Americas during the life of the Programme or to advise any investor in the Notes of any information coming to their attention. The Notes and the guarantees have not been and will not be registered under the United States Securities Act of 1933, as amended, (the *Securities Act*) and the Notes are in bearer form and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (see “*Subscription and Sale*”).

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. SES, SES Americas, the Arranger and the Dealers do not represent that this Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by SES, SES Americas, the Arranger or the Dealers which is intended to permit a public offering of any Notes or distribution of this Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including the United Kingdom) and Japan (see “*Subscription and Sale*” below).

This Prospectus had been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a *Relevant Member State*) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Prospectus as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for SES, SES Americas, the Arranger or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period

beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent sub-paragraph (ii) above may apply, none of SES, SES Americas and any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for SES, SES Americas, the Arranger or any Dealer to publish or supplement a prospectus for such offer.

All references in this document to *U.S. dollars*, *U.S.\$* and *\$* refer to United States dollars and to *euro* and *€* refer to the currency introduced at the start of the third stage of the European economic and monetary union pursuant to the Treaty establishing the European Community (signed in Rome on 25 March 1957), as amended.

Words and expressions defined in “*Form of the Notes*” and “*Terms and Conditions of the Notes*” shall have the same meanings in this summary.

Issuers: SES S.A. (SES) and SES Global Americas Holding GP (SES Americas).

SES

SES is a public limited company (*société anonyme*) incorporated for an unlimited duration by a notarial deed of 16 March 2001. It is registered with the trade and companies register in Luxembourg under number B 81267 and is organised and operating under the laws of the Grand Duchy of Luxembourg.

SES is a holding company and the management company of SES Group. Together with its subsidiaries, joint ventures and associates it forms the

SES Group. As a holding company, SES is dependent on the performance of the operating companies of the SES Group.

SES is one of the world's largest satellite services providers in terms of revenues, earnings before interest, taxes, depreciation and amortisation, size of its satellite fleet and backlog. SES is a leading satellite operator providing service in Europe, North America and the rest of the world.

SES Americas

SES Americas is a Delaware general partnership created in Delaware, United States of America under Delaware law by SES and SES ASTRA S.A. (**SES ASTRA**) (the **Partners**) pursuant to a partnership agreement dated 9 April 2003, as amended by Amendment No 1 thereto dated 15 July 2004 (as so amended, the **Partnership Agreement**) and the Delaware Revised Uniform Partnership Act. The term of SES Americas shall continue until dissolution pursuant to the provisions of the Partnership Agreement.

SES Americas' purpose and the character of its business is to hold SES's existing interest in SES Global-Americas, Inc. (**Global Americas**), a Delaware corporation, and a wholly owned subsidiary of SES, to incur certain indebtedness for the purposes of refinancing certain existing debt of Global Americas, to make additional capital contributions to Global Americas in exchange for additional interest in Global Americas as the Partners may agree from time to time, to acquire, hold or dispose of interests in subsidiaries and affiliates of SES, and to engage in activities and transactions which the Partners deem necessary, convenient, incidental or advisable in connection with the foregoing, including, the entering into of loan agreements, the lending or borrowing of funds, the purchase or sale of securities, and the purchase or sale of derivative instruments.

SES Americas is part of the SES Group.

SES Americas primarily refunds on capital markets its own capital maturities and furthermore sustains SES on its funding goals whenever markets provide SES Americas with better access to the markets and better rates. SES Americas enters into derivative transactions whenever it is necessary to hedge its financial risks.

Guarantors: SES and SES Americas.

Risk Factors: There are certain factors that may affect the ability of SES and SES Americas to fulfil their respective obligations as Issuer under Notes issued under the Programme and their respective obligations as Guarantor under the relevant Guarantee. These are set out in the "*Risk Factors*" section and include the factors set out in the following paragraphs. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme. These are set out under "*Risk Factors*" and include the fact that the Notes may not be a suitable investment for all investors, certain risks relating to the structure of particular Series of Notes and certain

market risks.

Risks Relating to the Issuers' Business

The risks set out below relate to the Issuers' business:

- (i) Launch delays, failure or destruction, damage or incorrect orbital placement of one or more satellites could be experienced.
- (ii) Destruction, damage or other failures following launch of satellites, which could lead to loss of revenues could be experienced.
- (iii) Certain of the satellites of SES and its subsidiaries (the **Group**) are experiencing anomalies or failures that could lead to loss of revenues.
- (iv) Satellites may be subject to damage or loss from events that might not be covered by insurance policies.
- (v) Certain of the Group's in-orbit insurance is maintained through self-insurance.
- (vi) The Group depends on a number of key customers whose loss would greatly reduce the Group's revenues.
- (vii) If the Group is not successful in renewing its existing satellite capacity agreements, or renewing them on terms that are similar to their current terms, this may adversely affect revenues.
- (viii) An unsuccessful or delayed launch of satellites could cause customers to use competing satellite operators.
- (ix) Increased competition from terrestrial infrastructure networks could adversely affect the ability of the Group to develop new business opportunities or adversely affect its pricing model.

Risks Relating to Structure

Failure to generate cash flow or access other capital resources could force the Group to reduce its operations or default on debt service obligations.

Regulatory and Corporate Risks

The risks set out below relate to regulatory and corporate matters.

- (i) The Group cannot predict the impact of laws and regulations on its operations.
- (ii) The International Telecommunication Union (referred to as the ITU) may not allocate orbital slots and associated frequencies to permit the Group to maintain or augment its satellite system.
- (iii) The failure to obtain and maintain required regulatory approvals

from other authorities for the Group operations could lead to loss of revenues.

- (iv) The Group is subject to the export control laws of the United States, which may preclude exporting satellites for launch, satellite-related hardware, technology and services as well as sourcing these items in the United States.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

These are set out under “*Risk Factors*” and include the following:

- (i) The Notes may not be a suitable investment for all investors and each potential investor should have sufficient knowledge, experience and financial resources to bear the risks of an investment in the Notes.
- (ii) There are risks related to the structure of a particular issue of Notes, including optional redemption features which may limit their market value. Some Notes may be index linked or dual currency Notes, which could mean that their market price may be volatile, investors may not receive interest or lose part of their principal. In addition some Notes may be Partly Paid Notes which means the issue price is payable in more than one instalment, some Notes may be variable rate Notes with a multiplier or other leverage factor which may mean that they would be volatile investments and some Notes may be inverse floating rate notes, which have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR, making them potentially more volatile than conventional floating rate debt securities. Notes that convert from fixed rate to floating rate or vice versa may involve more risk where the relevant Issuer has the right to effect such a conversion and, finally, some Notes may be issued at a substantial discount or premium, which means their market value may fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities.
- (iii) There are risks related to Notes generally, including modifications implemented by a majority of Noteholders, withholding systems imposed by the United States and the EU Savings Directive which may mean that additional tax would be payable in certain member states, changes in the law generally and failure by a Noteholder to purchase Notes in an integral multiple of the minimum Specified Denomination.
- (iv) There are risks related to the market generally. Noteholders should be aware of the prevailing global market conditions and the secondary market for instruments similar to the Notes. Potential investors should also be aware of exchange rate risks, interest rate risks and, generally, the risk that credit ratings of the Notes may not reflect the potential impact of all risks on them. A

credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

- (v) Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations and review or regulation by certain authorities. Each potential investor should consult its legal advisors to determine whether and to what extent restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Programme Size: Up to €4,000,000,000 (or its equivalent in other currencies calculated as described in the Programme Agreement) outstanding at any time. SES and SES Americas may increase the amount of the Programme in accordance with the terms of the Programme Agreement.

Distribution: Notes may be distributed by way of private or public placement and in each case on a syndicated or non-syndicated basis.

Form of Notes: The Notes will be issued in bearer form as described in “*Form of the Notes*”.

Terms of Notes: Notes may be issued on a fully paid or a partly paid basis and at an issue price which is at par or at a discount to, or premium over, par.

Notes may be denominated in any agreed currency and with any agreed maturity, subject to any applicable legal or regulatory restrictions and any requirements of the relevant central bank (or equivalent body).

The terms of the Notes will be specified in the applicable Final Terms. The following types of Note may be issued: (i) Notes which bear interest at a fixed rate or a floating rate; (ii) Notes which do not bear interest; and (iii) Notes which bear interest, and/or the redemption amount of which is, calculated by reference to a specified factor such as movements in an index or a currency exchange rate, changes in share or commodity prices or changes in the credit of an underlying entity. In addition, Notes which have any combination of the foregoing features may also be issued.

Interest periods, rates of interest and the terms of and/or amounts payable on redemption may differ depending on the Notes being issued and such terms will be specified in the applicable Final Terms.

The applicable Final Terms will indicate either that the relevant Notes cannot be redeemed prior to their stated maturity (other than in specified instalments, if applicable, or for taxation reasons or following an Event of Default) or that such Notes will be redeemable at the option of the relevant Issuer and/or the Noteholders. The terms of any such redemption, including notice periods, any relevant conditions to be satisfied and the relevant redemption dates and prices will be indicated in the applicable Final Terms.

The applicable Final Terms may provide that Notes may be redeemable in two or more instalments of such amounts and on such dates as are indicated in the applicable Final Terms.

The Notes will be issued in such denominations as may be agreed between the relevant Issuer and the relevant Dealer save that the minimum denomination of each Note will be such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency, and save that the minimum denomination of each Note admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

SES Americas will not issue Notes after 18 March 2012 with an initial maturity of more than 183 days unless such Notes will be treated as issued in registered form for US federal income tax purposes.

Taxation: All payments in respect of the Notes will be made without deduction for or on account of withholding taxes imposed by any Tax Jurisdiction as provided in Condition 8. In the event that any such deduction is made, the relevant Issuer or, as the case may be, the relevant Guarantor will, save in certain limited circumstances provided in Condition 8, be required to pay additional amounts to cover the amounts so deducted.

Negative Pledge: The terms of the Notes will contain a negative pledge provision as further described in Condition 3.

Events of Default: The terms of the Notes will contain, amongst others, the following events of default:

- (A) default in payment of any principal or interest due in respect of the Notes, continuing for a specified period of time;
- (B) non-performance or non-observance by the Issuer of any of its other obligations under the Terms and Conditions or the Guarantee continuing for a specified period of time;
- (C) cross default provision as further described in Condition 10; and
- (D) events relating to the insolvency or winding up of SES and SES Americas.

Status of the Notes: The Notes will constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the relevant Issuer and will rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the relevant Issuer, from time to time outstanding.

Guarantee:	The Notes will be unconditionally and irrevocably guaranteed in the case of Notes issued by SES Americas by SES and in the case of Notes issued by SES, by SES Americas. The obligations of the relevant Guarantor under such guarantee will be direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of the Guarantor and will rank <i>pari passu</i> and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the relevant Guarantor from time to time outstanding.
Use of Proceeds:	The net proceeds from each issue of Notes will be applied by the relevant Issuer for its general corporate purposes, which include making a profit. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.
Rating:	The rating of certain Series of Notes to be issued under the Programme may be specified in the applicable Final Terms.
Listing, approval and admission to trading:	<p>Application has been made to the <i>Commission de Surveillance du Secteur Financier</i> (CSSF) to approve this document for the purposes of the Prospectus Law. Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be listed on the Official List and admitted to trading on the regulated market of the Luxembourg Stock Exchange.</p> <p>Notes may be listed or admitted to trading, as the case may be, on other or further stock exchanges or markets agreed between the relevant Issuer and the relevant Dealer in relation to the Series. Notes which are neither listed nor admitted to trading on any market may also be issued.</p> <p>The applicable Final Terms will state whether or not the relevant Notes are to be listed and/or admitted to trading and, if so, on which stock exchanges and/or markets.</p>
Governing Law:	The Notes and any non-contractual obligations arising out of or in connection with the Notes will be governed by, and shall be construed in accordance with, English law.
Selling Restrictions:	There are restrictions on the offer, sale and transfer of the Notes in the United States, the European Economic Area (including the United Kingdom and the Republic of Italy), Japan and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes, see “ <i>Subscription and Sale</i> ”.

RISK FACTORS

*Each of SES and SES Americas believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and neither SES nor SES Americas is in a position to express a view on the likelihood of any such contingency occurring. References to the **Group** are to SES and its subsidiaries.*

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of SES and SES Americas believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of SES and SES Americas to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons, which may not be considered significant risks by SES and SES Americas based on information currently available to them or which they may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision.

Risks Relating to the Issuers' Business

Launch delays, failure or destruction, damage or incorrect orbital placement of one or more satellites could be experienced.

A launch failure or incorrect orbital placement of, or significant defects in, any of the Group's satellites currently under construction or any future satellite could result in a total or constructive loss of the satellite. The loss of a satellite could adversely impact operations and delay the onset of projected revenue streams, to the extent that there are no other satellites that can readily be redeployed to carry the traffic that had been contracted for the satellite that was lost.

Including its predecessor companies, since 1988, the Group has launched 51 satellites and has acquired one satellite (SES-7) that was already operational in-orbit. Three of these have resulted in launch failure.

Destruction, damage or other failures following launch of satellites, which could lead to loss of revenues could be experienced.

Satellites are subject to in-orbit failures that could arise for a variety of reasons. These failures could degrade commercial performance, reduce transmission capacity, reduce the operating life of a satellite or result in the total loss of a satellite. In addition to the direct consequences of any such failure on results of operations, any such failure could also harm the Group's reputation and adversely affect its ability to retain existing customers or attract new customers.

Certain of the Group's satellites are experiencing anomalies or failures that could lead to loss of revenues.

Certain of the Group's satellites are experiencing anomalies or failures that could reduce their operational life, result in outages or reduce the quantity of operating transponders, which could lead to loss of revenues. In particular, if the operational life of any of the Group's satellites is significantly shorter than expected, the Group could lose revenues due to the lost satellite capacity until a replacement satellite is launched and could incur expenses to replace the satellite.

Satellites may be subject to damage or loss from events that might not be covered by insurance policies.

The Group maintains launch and initial in-orbit insurance, in-orbit insurance and third party insurance for its satellites. The insurance policies generally contain exclusions from losses resulting from:

- military or similar action;
- any anti-satellite device;
- electromagnetic and radio interference (except for physical damage to a satellite directly resulting from this interference);
- confiscation by any governmental body;
- insurrection and similar acts or governmental action to prevent such acts;
- nuclear reaction or radiation contamination;
- wilful or intentional acts causing the loss or failure of satellites; and
- terrorism.

In addition, the insurance policies do not provide compensation for business interruption, loss of market share, reputational damage, loss of revenue, incidental and consequential damages and similar losses that might arise from the failure of a satellite launch, incorrect orbital placement or the failure of a satellite to perform according to specifications or certain damages to satellites.

The insurance policies may in the future increasingly exclude from coverage failures arising from pre-existing defects, such as defects in solar arrays and battery anomalies of some existing satellites. In addition, the Group will not be fully reimbursed if the cost of a replacement satellite exceeds the sum insured. As a consequence, the loss, damage or destruction of any satellites as a result of any of these events could result in material increases in costs or reductions in expected revenues, or both.

Certain of the Group's in-orbit insurance is maintained through self-insurance.

SES has reviewed its approach to in-orbit insurance of the Group's satellites and, in recognition of the excellent procurement and operating record, has adopted a policy of limited self-insurance. Premiums are paid to a wholly owned subsidiary, thus reducing the amount of insurance premiums paid to external insurance companies.

If any event occurs that is covered by the in-orbit insurance, the payment of the sum insured could result in material increases in costs.

The Group depends on a number of key customers whose loss would greatly reduce the Group's revenues.

The Group's five largest customers, Echostar/DISH/HNS, BSkyB, ARD/ZDF (German public broadcasters), Sky Deutschland and the US Government represented approximately 24 per cent. of SES' total revenues in the first half of 2011.

If key customers reduce their reliance on the Group by developing or increasing relationships with other satellite operators and such key customers cannot be replaced, the Group's revenues may be impacted negatively.

If the Group is not successful in renewing its existing satellite capacity agreements, or renewing them on terms that are similar to their current terms, this may adversely affect revenues.

SES ASTRA's main existing satellite capacity agreements have been renewed during the last five years, with contract durations typically of 10 years, with some contracts for longer periods. If the Group is unsuccessful in obtaining the renewal of its satellite capacity agreements when they come up for renewal on commercial terms similar to those currently reflected in its agreements, revenues could be adversely affected.

An unsuccessful or delayed launch of satellites could cause customers to use competing satellite operators.

The Group generally seeks to contract the satellite capacity available on a satellite prior to its launch. Satellite capacity agreements signed with customers in advance of the launch of a particular satellite generally include provisions allowing a customer to terminate the agreement if the launch of the satellite is unsuccessful and such failure is not remedied or usage of contracted satellite capability is delayed beyond an agreed date or if commercial operations on the satellite have failed to commence by a specified time. Revenues could be materially and adversely affected if an unsuccessful launch, a significant delay in a launch or a failure of a newly launched satellite to operate properly causes some or all customers for satellite capacity to use the services of a competing satellite operator. Satellite launch and in orbit insurance policies do not compensate for lost revenues due to the loss of customers to competitors because of the interruption to services or for consequential losses resulting from any launch failure or significant delay in operating satellites.

Risks Relating to Structure

Failure to generate cash flow or access other capital resources could force the Group to reduce its operations or default on debt service obligations.

The Group operates a strong business model but if, for any reason, the Group is not successful in implementing its business model, cash flow and capital resources may not be sufficient to repay indebtedness. If the Group is unable to meet debt service obligations or comply with covenants, a default under debt agreements would occur. To avoid a possible default or, on a default, the Group could be forced to reduce or delay the completion or expansion of the satellite fleet, sell assets, obtain additional equity capital or refinance or restructure its debt.

Regulatory and Corporate Risks

The Group cannot predict the impact of laws and regulations on its operations.

The operation of the business is and will continue to be subject to the laws and regulations of the governmental authorities of the countries where the Group operates or uses radio spectrum, offers satellite services or capacity, as well as to the frequency coordination process of the International Telecommunication Union (ITU). Regulation and legislation is extensive and outside the Group's direct control. New or modified rules, regulations, legislation or decisions by a relevant governmental entity or the ITU could materially and adversely affect operations.

Draft legislation has been prepared in the United States Congress that, if passed into law, would limit foreign ownership in SES and may oblige SES to take steps to change its shareholder structure including reducing the level of participation in SES by foreign governmental entities.

The ITU may not allocate orbital slots and associated frequencies to permit the Group to maintain or augment its satellite system.

The ITU establishes radio regulations and is responsible for the allocation of frequency spectrum for particular uses, and the allocation of orbital locations and associated frequency spectrum. The Group is required to coordinate the operation of its satellites with other satellite operators through the ITU so as to prevent interference between satellites. The Group may also be required to coordinate any replacement satellite that has performance characteristics which differ from those of the satellite it replaces. As a result of such coordination, the Group may be required to modify the proposed coverage areas of its satellites, or satellite design or transmission plans in order to eliminate or minimise interference with other satellites or ground-based facilities. Those modifications may mean that use of a particular orbital position is significantly restricted, possibly to the extent that it may not be economical to place a new satellite in that location. In addition, interference concerns of a country may affect the ability of the Group's satellite network to generate revenues due to the operational restrictions that the country may impose.

The failure to obtain and maintain required regulatory approvals from other authorities for the Group operations could lead to loss of revenues.

The Group must obtain and maintain approvals from authorities or other entities to operate or offer satellite capacity. For example, the Group must obtain authorisation or landing rights in certain countries for satellites to be able to transmit signals to or receive signals from these countries. The failure to obtain landing rights or the authorisations necessary to operate satellites internationally to provide services could lead to loss of revenues. In addition, licensing authorities may revoke rights to use frequencies at an orbital location if that orbital location is left vacant beyond the period permitted by such regulator. Customers are responsible for obtaining regulatory approval for their operations. As a result, there may be governmental regulations of which the Group is not aware or which may adversely affect the operations of customers. The Group could lose revenues if customers' current regulatory approvals do not remain sufficient in the view of the relevant regulatory authorities, or if additional necessary approvals are not granted on a timely basis, or at all, in all jurisdictions in which customers wish to operate or provide services or if applicable restrictions in those jurisdictions become unduly burdensome.

The Group is subject to the export control laws of the United States, which may preclude exporting satellites for launch, satellite-related hardware, technology and services as well as sourcing these items in the United States.

U.S. companies and companies located in the United States must comply with U.S. export control laws in connection with any information, products or materials that they provide to foreign companies relating to communications satellites, associated equipment and data. The Group's U.S. operations may not be able to maintain normal international business activities and the Group's non-U.S. operations may not be able to source satellites, satellite-related hardware, technology and services in the United States if:

- export licenses are not obtained in a timely fashion;
- export licenses do not permit transfer of all items requested;
- launches are not permitted in the locations that the Group prefers; or
- the requisite license, when approved, contains conditions or restrictions that pose significant commercial or technical problems.

Such occurrences could impede construction and delay the launch of any future satellites, adversely impacting current and/or future revenues.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (A) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (B) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (C) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (D) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (E) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the relevant Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The relevant Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**). In addition, the relevant Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (A) the market price of such Notes may be volatile;
- (B) they may receive no interest;
- (C) payment of principal or interest may occur at a different time or in a different currency than expected;
- (D) they may lose all or a substantial portion of their principal;
- (E) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (F) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (G) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

The relevant Issuer may issue Notes with principal or interest determined by reference to one or more shares and may bear similar market risks to a direct equity investment and investors should take advice accordingly.

The relevant Issuer may issue Notes with principal or interest determined by reference to one or more credits or securities and holders may receive in lieu of any payment of principal, certain securities of the reference entities which may have a market value which is less than par and may, in certain circumstances, be equal to zero. Prospective investors should note that they may be required to take delivery of these securities and should ensure that they have the capacity to receive such obligations on purchasing the Notes.

Partly Paid Notes

The relevant Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the relevant Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers and substitution

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

EU Savings Directive

Under EC Council Directive 2003/48/EC (the **Directive**) on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or certain limited types of entities established in that other Member State. However, for a transitional period Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain amendments to the Directive which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the relevant Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuers are required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The Conditions of the Notes are based on English law in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Prospectus.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination. If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Global credit market conditions

Noteholders should be aware of the prevailing and widely reported global credit market conditions (which continue at the date of this Prospectus), whereby there is a general lack of liquidity in the secondary market for instruments similar to the Notes. Such lack of liquidity may result in investors suffering losses on the Notes in secondary resales even if there is no decline in the performance of the assets of the Issuer. The Issuer cannot predict which of these circumstances will

change and whether, if and when they do change, there will be a more liquid market for the Notes and instruments similar to the Notes at that time.

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The relevant Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not

been withdrawn or suspended). Certain information with respect to the credit rating agencies and ratings will be disclosed in the applicable Final Terms.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

DOCUMENTS INCORPORATED BY REFERENCE

The following documents which have previously been published or are published simultaneously with this Prospectus and have been filed with the CSSF shall be incorporated in, and form part of, this Prospectus:

- (a) the SES Annual Report for the year ended 31 December 2009 incorporating the auditor's report and audited consolidated and non-consolidated SES annual financial statements for the financial year ended 31 December 2009 and the SES Annual Report for the year ended 31 December 2010 incorporating the auditor's report and audited consolidated and non-consolidated SES annual financial statements for the financial year ended 31 December 2010. The consolidated financial statements are drawn up in accordance with International Financial Reporting Standards as adopted for use in the European Union and the non-consolidated financial statements are drawn up in accordance with generally accepted accounting principles and regulations in Luxembourg;
- (b) the SES Americas Annual Accounts for the year ended 31 December 2009 incorporating the auditor's report and audited abridged annual non-consolidated separate financial statements for the financial year ended 31 December 2009 and the SES Americas Annual Accounts for the year ended 31 December 2010 incorporating the auditor's report and audited abridged annual non-consolidated separate financial statements for the financial year ended 31 December 2010, drawn up in accordance with the recognition and measurement principles of International Financial Reporting Standards as adopted for use in the European Union;
- (c) the unaudited interim condensed consolidated financial statements of SES for the six months ended 30 June 2010 and for the six months ended 30 June 2011;
- (d) the unaudited management accounts of SES Americas for the six months ended 30 June 2010 and for the six months ended 30 June 2011;
- (e) the articles of association of SES (which articles of association are in French and English) and the partnership agreement of SES Americas (incorporated for information purposes only); and
- (f) the SES interim consolidated results press release dated July 29, 2011.

Although SES Americas does not benefit from the exemption under IAS 27.10 to prepare full consolidated financial statements¹, the abridged annual financial statements for the years ended 31 December 2009 and 31 December 2010 included by reference in the Base Prospectus give a true and fair view of SES Americas' financial situation and provide sufficient information to potential investors.

SES Americas is a partnership formed under the Delaware Revised Uniform Partnership Act (Delaware Partnership Act). Under the Delaware Partnership Act, SES Americas is not required to file financial statements prepared in accordance with GAAP with the Secretary of State of the State of Delaware. Moreover, as a US entity, SES Americas does not fall within the scope of article 4 of Regulation (EC) No. 1606/2002 requiring an entity to use IFRS as a basis for preparation of its financial statements. Hence, the abridged annual financial statements for the years ended 31 December 2009 and 31 December 2010 included in the Base Prospectus have been prepared solely with the intention of providing potential investors with relevant information.

¹ Contrary to what is stated in SES Global Americas Holdings G.P. Abridged Separate Financial Statements as of 31 December 2010 under Note 2 – *Summary of significant accounting policies*.

SES Americas is 100 per cent. owned by SES (99.94 per cent. of the voting rights in SES Americas are directly held by SES and 0.06 per cent. are held through an affiliate of SES) and is fully consolidated within the IFRS consolidated annual financial statements of SES which are incorporated by reference in the Base Prospectus.

SES Americas was created as a financing and hedging vehicle for SES group as a whole; its operations therefore need to be viewed within the context of SES group rather than in isolation. Looking at SES Americas alone may in fact be misleading as its results may well fluctuate significantly depending on actual interest rates during the period considered, movements in foreign exchange rates and level of intra-group hedging contracts.

Finally, as outlined in the Base Prospectus, all Notes issued by SES Americas will be fully guaranteed by SES. The most significant factor influencing an investor's decision to invest in Notes issued by SES Americas will, for all reasons mentioned above, be the guarantee of these Notes by SES, as the results and activities of SES Americas when looked at in isolation are not very meaningful.

For the purposes of an investor's decision, the IFRS consolidated annual financial statements of SES for the years ended 31 December 2009 and 31 December 2010 included in the Base Prospectus will hence be decisive irrespective of whether SES Americas is the issuer in which case the payment of all amounts due by SES Americas on any Notes issued by it will be guaranteed by SES – or if SES Americas is the guarantor of the Notes issued by SES.

Based on the above, providing full annual financial statements (as opposed to abridged financial statements) for SES Americas for the years ended 31 December 2009 and 31 December 2010 will not provide substantial nor useful additional information to investors and will certainly not influence their assessment of the financial position and prospects of SES Americas. The Issuers further believe that the annual consolidated financial statements of SES for the years ended 31 December 2009 and 31 December 2010 in combination with SES Americas abridged IFRS financial statements for the years ended 31 December 2009 and 31 December 2010 give a full picture of the financial situation and risk management environment applying to Notes issued by SES Americas and guaranteed by SES.

Following the publication of this Prospectus a Supplement to the Prospectus may be prepared by the Issuer and approved by the CSSF in accordance with Article 13 of the Luxembourg law of 10 July 2005 *relative aux prospectus pour valeurs mobilières* (the Prospectus Law). Statements contained in any such Supplement to the Prospectus (or contained in any document incorporated by reference therein) shall, to the extent applicable, be deemed to modify or supersede statements contained in this Prospectus. Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Prospectus.

Copies of documents incorporated by reference in this Prospectus can be obtained, without charge, from the registered office of SES at Château de Betzdorf, L-6815 Betzdorf, and from the specified offices of the Agent for the time being in Luxembourg. This Prospectus and each document incorporated by reference will also be published on the Luxembourg Stock Exchange's website (www.bourse.lu).

Any documents themselves incorporated by reference in the documents incorporated by reference in this Prospectus shall not form part of this Prospectus.

Each of SES and SES Americas will, in the event of any significant new factor, material mistake or inaccuracy relating to information included in this Prospectus which is capable of affecting

the assessment of any Notes, prepare a Supplement to the Prospectus or publish a new Prospectus for use in connection with any subsequent issue of Notes.

FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will be initially issued in the form of a temporary global note (a **Temporary Global Note**) or, if so specified in the applicable Final Terms, a permanent Global Note (a **Permanent Global Note**, and together with the Temporary Global Note, the **Global Note**) which, in either case, will:

(i) if the Global Notes are intended to be issued in new global note (**NGN**) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear (**Euroclear**) and Clearstream, Luxembourg; and

(ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for, Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made against presentation (unless the Temporary Global Note is in NGN form) of the Temporary Global Note and in any event only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent; provided, however, that no such certification will be required for (a) Notes issued by SES Americas which (i) have an initial maturity of 183 days or less, (ii) a minimum denomination of U.S.\$500,000 (or the equivalent amount of another currency, determined based on the spot exchange rate on the date of issue) and (iii) as specified in the applicable Final Terms, are intended to comply with U.S. Treasury Regulation section 1.6049-5(b)(10), or (b) Notes issued by SES that, as specified in the applicable Final Terms, are issued in compliance with the procedures of U.S. Treasury Regulation section 1.163-5(c)(2)(i)(C) (the **TEFRA C Rules**).

On and after the date (the **Exchange Date**) which is 40 days after a Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (a) interests in a Permanent Global Note of the same Series or (b) for definitive Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case (other than Notes issued by SES Americas which (i) have an initial maturity of 183 days or less, (ii) a minimum denomination of U.S.\$500,000 (or the equivalent amount of another currency, determined based on the spot exchange rate on the date of issue) and (iii) as specified in the applicable Final Terms, are intended to comply with U.S. Treasury Regulation section 1.6049-5(b)(10), and Notes issued by SES that, as specified in the applicable Final Terms, are issued in compliance with the procedures of the TEFRA C Rules) against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg against presentation or surrender (as the

case may be) (unless the Permanent Global Note is in NGN form) of the Permanent Global Note and in any event without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, receipts, interest coupons and talons attached upon either (a) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Agent as described therein or (b) only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 10) has occurred and is continuing, or (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Agent.

Except for Notes issued by SES in compliance with the requirements of the TEFRA C Rules, as specified in the applicable Final Terms, the following legend will appear on all Notes which have an initial maturity of more than 365 days (183 days in the case of Notes issued by SES Americas) and on all receipts and interest coupons relating to such Notes:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The following legend will appear on all Notes issued by SES Americas which (i) have an initial maturity of 183 days or less, (ii) a minimum denomination of U.S.\$500,000 (or the equivalent amount of another currency, determined based on the spot exchange rate on the date of issue) and (iii) as specified in the applicable Final Terms, are intended to comply with U.S. Treasury Regulation section 1.6049-5(b)(10):

“BY ACCEPTING THIS OBLIGATION, THE HOLDER REPRESENTS AND WARRANTS THAT IT IS NOT A UNITED STATES PERSON (OTHER THAN AN EXEMPT RECIPIENT DESCRIBED IN SECTION 6049(B)(4) OF THE INTERNAL REVENUE CODE AND THE REGULATIONS THEREUNDER) AND THAT IT IS NOT ACTING FOR OR ON BEHALF OF A UNITED STATES PERSON (OTHER THAN AN EXEMPT RECIPIENT DESCRIBED IN SECTION 6049(B)(4) OF THE INTERNAL REVENUE CODE AND THE REGULATIONS THEREUNDER).”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes*”), the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a

single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the relevant Issuer and the Agent.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 10. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then the Global Note will become void at 8.00 p.m. (London time) on such day. At the same time, holders of interests in such Global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the relevant Issuer on the basis of statements of account provided by Euroclear and/or Clearstream, Luxembourg on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 27 September 2010 and executed by the relevant Issuer.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Notes repayable in instalments have receipts (**Receipts**) for the payment of the instalments of principal (other than the final instalment) attached on issue. Global Notes do not have Receipts, Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which supplement these Terms and Conditions (the **Conditions**) and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Conditions, replace or modify the Conditions for the purposes of this

Note. References to the **applicable Final Terms** are to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The payment of all amounts in respect of this Note have been guaranteed by the Guarantor pursuant to a guarantee (the **Guarantee**) dated 6 December 2005 (as amended and restated on 28 October 2009 and 27 September 2010) and executed by the Guarantor. The original of the Guarantee is held by the Agent on behalf of the Noteholders, the Receiptholders and the Couponholders at its specified office.

Any reference herein to **Receiptholders** shall mean the holders of the Receipts and any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (the **Deed of Covenant**) dated 27 September 2010 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement, the Guarantee and the Deed of Covenant are available for inspection during normal business hours at the specified office of each of the Paying Agents. Copies of the applicable Final Terms are available for viewing at the registered office of SES at Château de Betzdorf, L-6815 Betzdorf and at the specified office of the Paying Agent and will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu) save that, if this Note is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive as amended (which includes the amendments made by Directive 2010/73/EU to the extent that such amendments have been implemented in a Member State of the European Economic Area), the applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuers or to the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Guarantee, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

The obligations of the Guarantor under the Guarantee are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Guarantor and (save for certain obligations required to be preferred by law) rank equally with all other unsecured obligations (other than subordinated obligations, if any) of the Guarantor, from time to time outstanding.

3. NEGATIVE PLEDGE

3.1 Negative Pledge

So long as any of the Notes remains outstanding:

- (a) the Issuer will not create or have outstanding any mortgage, charge, lien, pledge or other security interest (each a **Security Interest**) upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness (as defined below), unless the Issuer, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:
 - (i) all amounts payable by it under the Notes and the Coupons are secured by the Security Interest equally and rateably with the Relevant Indebtedness; or
 - (ii) such other Security Interest or other arrangement (whether or not it includes the giving of a Security Interest) is provided in favour of the Noteholders; as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders; and
- (b) the Guarantor will ensure that no Relevant Indebtedness of the Guarantor or any of its Subsidiaries (as defined below) will be secured by any Security Interest upon, or with respect to, any of the present or future business, undertaking, assets or revenues (including any uncalled capital) of the Guarantor or any of its Subsidiaries unless the Guarantor, in the case of the creation of the Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:
 - (i) all amounts payable by it under the Guarantee are secured by the Security Interest equally and rateably with the Relevant Indebtedness; or
 - (ii) such other Security Interest or guarantee or other arrangement (whether or not it includes the giving of a Security Interest) is provided in favour of the Noteholders as shall be approved by an Extraordinary Resolution of the Noteholders.

3.2 Interpretation

For the purposes of these Conditions:

- (a) **Relevant Indebtedness** means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities which are, or are capable of being, quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market, and (ii) any guarantee or indemnity in respect of any such indebtedness; and

- (b) **Subsidiary** means, in relation to the Issuer or the Guarantor, any individual, partnership, corporation, limited liability company, association, trust, unincorporated organisation (i) in which the Issuer or, as the case may be, the Guarantor holds a majority of the voting rights or (ii) of which the Issuer or, as the case may be, the Guarantor is a member and has the right to appoint or remove a majority of the board of directors or (iii) of which the Issuer or the Guarantor is a member and controls a majority of the voting rights, and includes any individual, partnership, corporation, limited liability company, association, trust, unincorporated organisation which is a Subsidiary of a Subsidiary of the Issuer or, as the case may be, the Guarantor.

4. REDENOMINATION

4.1 Redenomination

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (c) if definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmaturing Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and

Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;

- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (i) in the case of the Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
 - (ii) in the case of definitive Notes, by applying the Rate of Interest to the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding; and

- (g) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest.

4.2 Definitions

In the Conditions, the following expressions have the following meanings:

Established Rate means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 123 of the Treaty;

euro means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty;

Redenomination Date means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case

specified by the Issuer in the notice given to the Noteholders pursuant to Condition 4.1 above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union; and

Treaty means the Treaty establishing the European Community, as amended.

5. INTEREST

5.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 5.1:

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such

Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In the Conditions:

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

5.2 Interest on Floating Rate Notes and Index Linked Interest Notes

(a) *Interest Payment Dates*

Each Floating Rate Note and Index Linked Interest Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in the Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 5.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (b)(ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, **Business Day** means a day which is both:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre specified in the applicable Final Terms; and
- (b) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open.

(b) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (i), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is either (a) if the applicable Floating Rate Option is based on the London interbank offered rate (**LIBOR**) or on the Euro-zone interbank offered rate (**EURIBOR**), the first day of that Interest Period or (b) in any other case, as specified in the applicable Final Terms.

For the purposes of this subparagraph (i), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(ii) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are

available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(c) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) Determination of Rate of Interest and calculation of Interest Amounts

The Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified

Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 5.2:

- (i) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30; and

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(e) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(f) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, whether by the Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error or proven error) be binding on the Issuer, the Guarantor, the Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receipholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receipholders or the Couponholders shall attach to the Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Interest on Dual Currency Interest Notes

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Final Terms.

5.4 Interest on Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

5.5 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

6. PAYMENTS

6.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

6.2 Presentation of definitive Notes, Receipts and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note

to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

6.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable. General provisions applicable to payments.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or

Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

6.4 Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 9) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) the relevant place of presentation (save, in the case of a Global Note, where presentation is not required); and
 - (ii) each Additional Financial Centre specified in the applicable Final Terms; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

6.5 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 8;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (f) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7.5); and
- (g) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. REDEMPTION AND PURCHASE

7.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note (including each Index Linked Redemption Note and Dual Currency Redemption Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

7.2 Redemption for tax reasons

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is neither a Floating Rate Note, an Index Linked Interest Note nor a Dual Currency Interest Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note, an Index Linked Interest Note or a Dual Currency Interest Note), on giving not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 or the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making payment itself would be required to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 8) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent a certificate signed by two directors of the Issuer or, as the case may be, two Directors of the Guarantor stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer or, as the case may be, the Guarantor has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in Condition 7.5 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (a) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 14; and
- (b) not less than 15 days before the giving of the notice referred to in (a) above, notice to the Agent;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 7.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five days prior to the Selection Date.

7.4 Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but

excluding) the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 7.4 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 7.4 and instead to declare such Note forthwith due and payable pursuant to Condition 10.

7.5 Early Redemption Amounts

For the purpose of Condition 7.2 above and Condition 10, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (b) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and a Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (c) in the case of a Zero Coupon Note, at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms.

7.6 Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 7.5.

7.7 Partly Paid Notes

The Issuer, the Guarantor or any Subsidiary of the Issuer or the Guarantor may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer or the Guarantor, surrendered to any Paying Agent for cancellation.

7.9 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to Condition 7.8 above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 7.1, 7.2, 7.3 or 7.4 above or upon its becoming due and repayable as provided in Condition 11 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 7.5(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and

- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 15.

8. TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer or the Guarantor will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer or, as the case may be, the Guarantor will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment by or on behalf of a holder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note, Receipt or Coupon; or
- (b) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 6.4); or
- (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (d) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (e) in the case of Notes issued by SES Americas, presented for payment by or on behalf of (i) any 10 per cent. shareholder of SES Americas within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code of 1986, as amended (the **Code**), (ii) any controlled foreign corporation related to SES Americas within the meaning of Section 864(d)(4) of the Code, (iii) any bank extending credit pursuant to a loan agreement entered into in the ordinary course of its business or (iv) where such withholding or deduction is imposed under Sections 1471 and 1472 of the Code.

As used herein:

- (ii) the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of

such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

9. PRESCRIPTION

The Notes, Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6.2 or any Talon which would be void pursuant to Condition 6.2.

10. EVENTS OF DEFAULT

If any one or more of the following events (each an **Event of Default**) shall occur and be continuing:

- (a) if default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of three days from the due date for payment thereof; or
- (b) if the Issuer or the Guarantor fails to perform or observe any of its other obligations under the Conditions or the Guarantee and the failure continues unremedied for 30 days after written notice thereof, addressed to the Issuer and the Guarantor by any Noteholder, has been delivered to the Issuer and the Guarantor; or

 - (iii) the Issuer or the Guarantor or any Subsidiary fails to pay when due any amount payable by it under any guarantee of any Indebtedness;

provided that the amount of Indebtedness referred to in sub-paragraph (i) and/or sub-paragraph (ii) above and/or the amount payable under any guarantee referred to in sub-paragraph (iii) above individually or in the aggregate exceeds €50,000,000 (or its equivalent in any other currency or currencies) and *provided further that* for purposes of this paragraph (c), neither the Issuer nor the Guarantor nor any Subsidiary shall be deemed to be in default with respect to such Indebtedness or guarantee of any Indebtedness if it shall be contesting in good faith by appropriate means its liability to make payment thereunder and has been advised by legal advisers of internationally recognised standing that it is reasonable for it to do so; or

- (k) unless otherwise permitted under Condition 10(e), if the Guarantee ceases to be, or is claimed by the Guarantor not to be, in full force and effect, other than in accordance with its terms,

then any holder of a Note may, by written notice addressed to the Issuer and the Guarantor and delivered to the Issuer and the Guarantor, effective upon the date of receipt thereof by the Issuer and the Guarantor, declare any Note held by it to be forthwith due and payable

whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

13. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

14. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London and (b) if and for so long as the Notes are admitted to trading on, and listed on the Official List of the Luxembourg Stock Exchange and the rules of such stock exchange so require, a daily newspaper of general circulation in Luxembourg, and/or on the Luxembourg Stock Exchange's website (www.bourse.lu). It is expected that any such publication in a newspaper will be made in the *Financial Times* in London and the *Luxemburger Wort* or the *Tageblatt* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

Such a meeting may be convened by the Issuer or the Guarantor and shall be convened by the Issuer if required in writing by Noteholders holding not less than ten per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, the Receipts or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than three-quarters in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-quarter in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at

any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Agency Agreement provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except such modifications in respect of which an increased quorum is required as mentioned above) of the Notes, the Receipts, the Coupons or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

- (a) The Issuer may at any time, without the consent of the Noteholders or the Couponholders, substitute for itself as the principal debtor under the Notes and the Coupons the Guarantor or any other member of the Group (such substitute, a **New Issuer**) *provided that*:
 - (i) a deed poll and such other documents (if any) shall be executed by the New Issuer and, to the extent necessary, the other parties to the Agency Agreement, as may be necessary to give full effect to the substitution and pursuant to which the New Issuer shall undertake in favour of each Noteholder and each Accountholder (as defined in the Deed of Covenant) to be bound by these conditions, the Deed of Covenant and the Agency Agreement as principal debtor in respect of the Notes in place of the Issuer;
 - (ii) each rating agency which has assigned credit rating to the Notes confirms that upon the substitution of the New Issuer becoming effective the Notes will either have the same credit rating as immediately prior to the substitution or the credit rating will not be adversely affected;

19. GOVERNING LAW AND SUBMISSION TO JURISDICTION

19.1 Governing law

The Agency Agreement, the Guarantee, the Deed of Covenant, the Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law. The provisions of articles 86 to 94-8 (inclusive) of the Luxembourg law of 10 August 1915 on commercial companies, as amended shall be expressly excluded.

19.2 Submission to jurisdiction

The Issuer irrevocably agrees, for the benefit of the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Agency Agreement, the Notes, the Receipts and the Coupons) and accordingly submits to the exclusive jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Noteholders, the Receiptholders and the Couponholders, may take any suit, action or proceedings (together referred to as Proceedings) arising out of or in connection with the Notes, the Receipts and the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and the Coupons), against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

The Issuer appoints Freshfields Bruckhaus Deringer LLP at its registered office at 65 Fleet Street, London EC4Y 1HS (marked for the attention of the Dispute Resolution DMP and Mr. Edward Evans, reference 123182-0015) as its agent for service of process, and undertakes that, in the event of Freshfields Bruckhaus Deringer LLP ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

SES has a subscribed share capital of EUR 624,347,118.75 represented by 499,477,695 shares without indication of par value. The issued capital is fully paid-up. The share capital is divided in 332,985,130 Class A shares and 166,492,565 Class B shares. Both, the Class A Shares and the Class B shares, are registered shares, Class B shares are owned by the Luxembourg State and by two entities wholly owned by the Luxembourg State. Class B shares have 40 per cent. of the economic rights of Class A shares; *i.e.* dividends shall be paid in a manner so that the payment on one Class B share equals 40 per cent. of the payment on one Class A share. In case of an increase of the share capital by a contribution that is either in kind or in cash, the shareholders of Class B shares have a preferential subscription right for additional Class B shares to ensure that the proportion of one issued Class B share to two issued Class A shares is maintained at all times.

Business overview

SES is a holding company and the management company of SES Group (being SES, its subsidiaries, joint ventures and associates). It defines and coordinates the strategy of the SES Group companies and allocates resources to pursue the identified strategy. As a holding company, SES is dependent on the performance of the operating companies of the SES Group.

SES is one of the world's largest satellite services providers in terms of revenues, earnings before interest, taxes, depreciation and amortisation, size of its satellite fleet and backlog. SES is a leading satellite operator providing services in Europe, North America and the rest of the world. SES operates in several geographically distinct regional markets and, within those markets, the mix of business applications served also varies according to market.

SES Corporate Structure

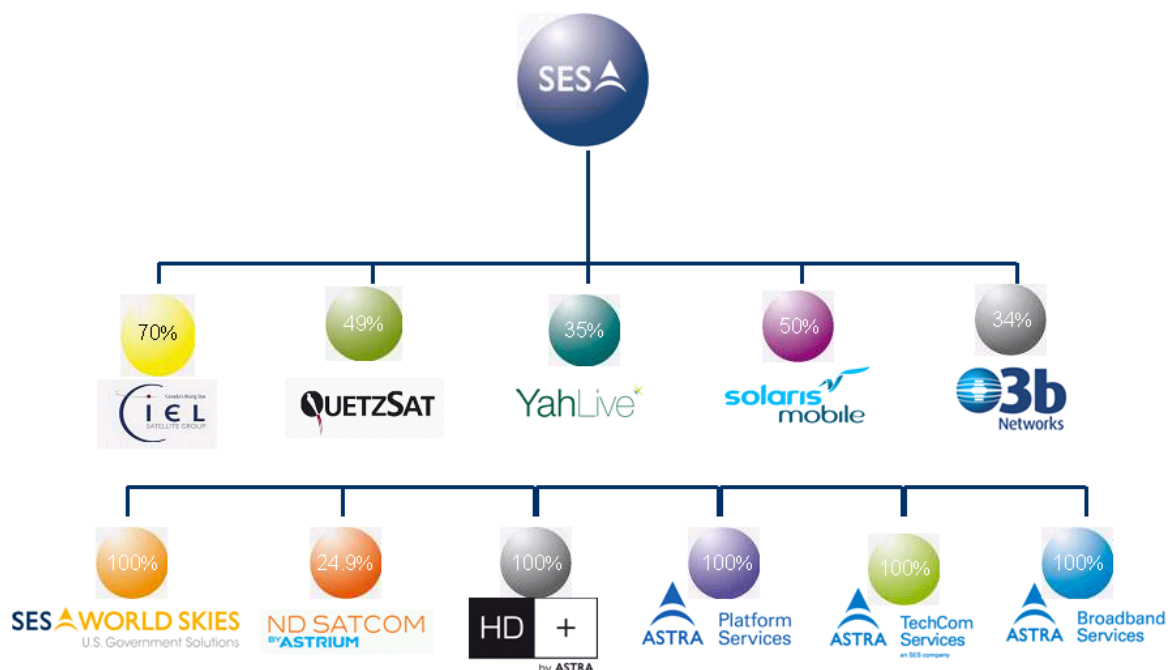

In 2011, SES has implemented a reorganisation to enhance its customer focus, in particular strengthening its presence in the high growth emerging markets that are the target for the majority of the incremental satellite capacity that is being launched in the next three years. In September 2011, operations has been rebranded under the SES banner, while the well-established ASTRA brand continues to be used in the core European direct-to-home (**DTH**) markets. The reorganisation, which

took effect at the beginning of May 2011, unified operations under a single management structure as opposed to separate operating entities, hereby reducing duplication in support functions such as Legal and Finance, and enabling a unified approach to markets that had previously been served by both the SES ASTRA and SES WORLD SKIES operating segments.

The SES Group generates revenues from its commercial operations in many regional markets. The SES Group's satellites and technical operations are managed by the technology division of the SES Group. SES also holds participations in certain newly aligned satellite service companies.

This Group structure supports streamlined and efficient decision-making and is expected to deliver operational synergies as well as enhancing business development. The Executive Committee of SES is now comprised of the Chief Executive Officer, the Chief Financial Officer, the Chief Commercial Officer, the Chief Development Officer and the Chief Technical Officer, thus ensuring that the strategic interests of the Group are coordinated and prioritised at the highest administrative level.

Group Structure

The SES Group is one of the world's premier satellite groups, with a unique global satellite network. Commercial Operations are regionally managed: Commercial Europe, with a broadly similar market coverage to that of SES ASTRA in the preceding Group organisation, and Commercial Global, whose coverage is broadly similar to that of SES WORLD SKIES. Commercial Global comprises the North America region (including the operations of U.S. Government Solutions, the entity contracting capacity and services with the U.S. Government), and other regions across the world collectively referred to as 'Emerging Markets'.

European Operations

The European segment of the SES Group serves the European markets as far east as Russia. The principal application served is television broadcasting, both DTH and cable network redistribution.

SES' principal competition is from terrestrial distribution technologies and competing satellite operators. SES' main competitor in the European space segment is Eutelsat, a French satellite operator. Other competitors include smaller operators in the region such as Hispasat, Telenor, Hellas Sat, Turksat and Spacecom.

SES is the leading provider of Direct-to-Home transmission capacity in Europe, through the ASTRA satellite fleet, as well as other capacity on the SES fleet carrying European content. At the end of June 2011, the ASTRA satellite fleet consisted of 17 satellites at the prime orbital positions 19.2°, 23.5°, 28.2°, 28.5°, 31.5° and 5° East, offering a total of 317 commercially available transponders. Throughout the year, network availability levels were maintained above 99.999 per cent.

Over 2,500 TV, radio and interactive channels are carried on the ASTRA satellites to 135 million European homes. 58 million homes receive ASTRA transmissions directly via satellite. In addition to the DTH end-user base, the segment also distributes content to cable operators. All major cable networks in Europe utilise ASTRA capacity and 68 million cable subscribers currently receive ASTRA-delivered television and radio channels. The growth in the HDTV market continues and as at 30 June 2011, the number of HD channels delivered on ASTRA platforms had increased to 220.

Services activities

The SES Group undertakes certain service activities which essentially support customers' use of satellite capacity. These satellite service provision companies include (i) Astra Platform Services (APS), offering activities such as play-out, multiplexing, encryption and satellite uplinks to broadcasters; (ii) Astra Broadband Services offering broadband internet connectivity by satellite via ASTRA2Connect and (iii) SES ASTRA TechCom, offering a broad array of products and services addressing various areas of satellite and network systems engineering.

Continued audience growth

The ASTRA satellite system continued to experience audience growth in the 35 countries within its footprint. In early 2011, 135 million homes were served with audiovisual broadcast and broadband services via ASTRA satellites at 19.2°, 23.5°, 28.2°, 31.5° and 5.0° East.

More than 168 million European TV homes are now digital. The growing choice of digital TV and radio channels boosted total digital reception of broadcast content (via satellite, DSL, cable and terrestrial) to 168 million homes, an increase of 23 million homes compared to the previous year. Satellite is the most popular digital reception mode: 75 million homes received digital satellite broadcasts, being 45 per cent. of digital reception modes..

In a very competitive environment, SES continued to have a strong position in the digital marketplace. More than 70 per cent. of the digital satellite homes within its footprint are served by ASTRA satellites.

In addition, ASTRA satellites are still received by 3.4 million exclusively analogue satellite homes. Almost 90 per cent of these homes, or 3 million, are located in the German-speaking countries which retain a wide choice of 35 analogue TV channels delivered by satellite. The public and private broadcasters have announced that these analogue broadcasts will cease at the end of April 2012. Some of the transponder capacity (9 transponders at 7 July) has already been recontracted, mainly for delivery of High Definition channels, from May 2012. The remainder of the transponder capacity is expected to be contracted by broadcasters in Germany, France, Spain and other European markets, and is expected to be wholly re-commercialised by the end of 2016.

Recent developments

The YahSat 1A satellite carrying 23 BSS transponders, owned by its associate company YahLive, was launched on 22 April 2011.

On 16 July 2011, the SES-3 satellite was successfully launched. This satellite is a replacement for AMC-1 at 103W where it will provide follow-on services at this important U.S. cable neighbourhood.

ASTRA 1N, a replacement satellite for the European orbital position 19.2° East, has been launched on 7 August 2011. ASTRA 1N provides an interim replacement capacity at 28.2° East and will be moving to its primary mission at 19.2° East, from where it will mainly serve the German, French and Spanish markets.

SES-2 will be launched in September 2011, and will replace AMC-3 at 87° West. The satellite also carries a hosted payload for the USAF.

QuetzSat-1 will be launched in September 2011 and will be deployed at 77° West where it has been contracted for an initial 10-year term by DISH Mexico.

SES-4 is planned for launch in October 2011 and will be an early replacement of NSS-7 at 338° East. The satellite will bring incremental capacity serving the Atlantic Ocean Region, including Europe, Africa and the Americas.

On 7 September 2011, SES and Gazprom Space Systems (GSS) entered into a strategic partnership in order to provide additional satellite capacity for the Russian market. GSS will utilise 16 Ku-band transponders on the ASTRA 1F satellite, while in return, SES will utilise capacity on the Yamal-402 satellite, once it becomes operational.

On 8 September 2011, SES and GlobeCast announced that GlobeCast had contracted two additional transponders, on ASTRA 4A and the upcoming SES-4 satellite. The markets served are the sub-Saharan ones.

Also on 8 September 2011, SES announced that MagtiCom of Georgia will be using several transponders to serve the Georgian market via SES' 31.5° East orbital position. The contract will commence on 1 January 2012.

On 12 September 2011, SES and Canal+ Overseas signed a contract for multiple transponders on the upcoming SES-4 satellite, allowing Canal+ Overseas to expand its reach to include the entire French speaking sub-Saharan countries.

The Group's contract backlog remained stable in the period, and was EUR 7 billion at the end of the first half of 2011.

At the date of this Prospectus, the ASTRA2Connect satellite broadband service serves more than 80,000 customers. The service is available in 23 countries throughout Europe and has also expanded its distribution network to East, West and Central Africa and the Middle East. ASTRA2Connect is marketed via wholesalers and internet service providers to the residential market.

Commercial Global

Commercial Global has over 560 customers around the globe. Revenues are diversified across the media (43 per cent.), enterprise (31 per cent.) and government (26 per cent.) market segments.

SES' North American operations include the provision of satellite capacity for cable network feeds to terrestrial networks, where the principal satellite competitor is Intelsat, with Telesat and SatMex also providing capacity for such applications. DTH television in North America has long been a service provided by vertically integrated companies such as DirecTV and EchoStar, and SES supplies EchoStar and affiliated companies with transmission capacity to supplement that in its own fleet. Competition for corporate network services and government services applications is with any satellite operators in the region that offer suitable frequency band capabilities and suitably located satellites.

Operations outside North America typically serve DTH television, cable television feeds, government and corporate communications networks, internet trunking, GSM backhauling, and similar applications. While Intelsat remains SES' primary satellite competitor, there are several other competing satellite operators, depending on the region being served, as well as terrestrial solutions.

North American Operations

In North America, SES is a leading provider of satellite transponder capacity and associated services (based on the numbers of orbital slots and transponders). It has one of the largest satellite fleets, currently flying 16 (including SES-3) station-kept spacecraft principally serving the United States, a modern satellite and terrestrial infrastructure, a high-quality customer base and valuable orbital slot authorisations. SES provides these services to broadcasters, cable networks, VSAT applications, DTH platform providers, private network providers, internet service providers, mobile broadband providers, government agencies, educational institutions, telephone companies and other business enterprises in North America. SES provides transponder capacity services to cable programmers and leading television broadcaster networks distributing programming to virtually all cable head-ends and hundreds of network affiliates, as well as to the major DTH distributors, multiple dwelling systems and hotels.

SES' two largest U.S. cable neighbourhoods, at the 101° West/103° West and 131° West/135° West orbital locations, reach more than 66 million television households. This only represents the contribution to all cable and IPTV-homes in the U.S. via the AMC satellites and it does not include any terrestrial re-transmission there may be or the DISH Network DTH reach via Ciel-2. Approximately three-fourths of the utilised transponders serving the U.S. are dedicated to video content providers (cable television, broadcast services and DTH). Due to the importance of these neighbourhoods, virtually every cable head-end in the U.S. has antenna reception facilities dedicated to these prime orbital slots, thus increasing the value of the slot and of the available transponder capacity. The two neighbourhoods deliver programming to virtually all cable head-ends in the U.S., thus reaching substantially all cable pay television households in the country. In addition, SES has the most significant U.S. radio neighbourhood, an education neighbourhood and the largest faith-based broadcast neighbourhood.

In addition, SES holds a 70 per cent. economic ownership in Ciel Satellite Group. Ciel operates the Ciel-2 BSS satellite which supports DTH satellite services in North America. SES also holds a 49 per cent. interest in QuetzSat. The QuetzSat-1 satellite, launched in August 2011, is presently undergoing in-orbit testing prior to start of operations at 77° West, from where it will provide DTH services in North America, in particular in Mexico and the Caribbean region.

Emerging Markets

SES' international operations provide transponder capacity for regional inter-connectivity as well as for specific services and applications within regions outside Europe. These regions include Latin America and the Caribbean, Africa, the Middle-East, South Asia and the Asia Pacific region. SES' customers use the services for a variety of applications, including voice and data services, such as corporate and governmental data networks, video services, including cable and broadcast television distribution and contribution services, DTH services and other internet-related services.

SES' satellites are used to create high bandwidth private voice and data networks for government and businesses around the world. Many of these networks use relatively small antennas known as very small aperture terminals (VSATs) to connect geographically dispersed sites into a dedicated and interconnected communications network.

Video Services

SES' Latin American broadcast neighbourhood serves over 18 million cable households. SES satellites over Asia and Africa support approximately 900 video channels and twelve DTH platforms.

Other Internet-related Services

SES offers telecommunications companies, service providers, network integrators, internet service providers and other re-sellers of high-speed data services connections directly to the internet backbone.

Procurement cycle of SES

SES presently has 10 spacecraft under procurement. These spacecraft are due to be launched between Q3 2011 and Q1 2014. The spacecraft are principally replacements for ageing spacecraft in the fleet, and the majority also carry incremental capacity. Some of these replacement satellites will enable the repositioning of the spacecraft they are replacing, to begin commercial activities at new orbital positions. One spacecraft (SES-5) will deliver entirely new incremental capacity for Europe and Africa and another (SES-4) will enable the repositioned NSS-7 to provide incremental capacity at the 338° East orbital position over the Atlantic Ocean region.

SES expects to continue to invest in spacecraft, both to replace existing spacecraft before their end of life, and to make available new capacity at new orbital positions to meet growing demand. On a normalised basis (through the full replacement cycle) SES expects replacement capital expenditures to be in the range of EUR 440-490 million per annum for the current fleet plus a range of EUR 70-90 million to replace the additional incremental capacity.

SES's current satellite capital expenditures projections for the period to 2016 are shown in the diagram below:

Financial Outlook

H1 2011 Results Summary

Recurring revenue in the six months increased by 3.0 per cent. to EUR 853.2 million, while recurring EBITDA grew by 4.2 per cent. to EUR 644.4 million. Reported revenue was up 0.8 per cent., at EUR 851.4 million, while EBITDA as reported declined slightly by 0.2 per cent. to EUR 631.5 million.

The strength of the Euro against the U.S. dollar in the period resulted in a relatively flat evolution of revenue and EBITDA against the prior year period. Adjusting to exclude this effect, the underlying recurring growth was favourable.

Operating profit rose 4.1 per cent. to EUR 402.0 million, reflecting the favourable underlying performance and a reduced depreciation charge. Net financing charges in the period, at EUR 60.8 million, were significantly lower than the prior year period, reflecting positive developments in both foreign exchange charges and interest costs. A reduced loss after tax of EUR 7.3 million from discontinued operations (ND SatCom) was recorded, compared to a loss of EUR 38.5 million in the prior year period. These favourable variances led to the profit of the group increasing by 52.5 per cent., to EUR 292.1 million, corresponding to EPS of EUR 0.74.

The Group's contract backlog, representing secured future revenue, increased to EUR 7.0 billion, an 8.3 per cent. increase at constant currency, driven by renewals and new business signed in the period.

Outlook and Guidance

The 2010 guidance for full year recurring revenue and EBITDA growth was 4-5 per cent.. SES now identifies this range of 4-5 per cent. for its 3-year CAGR (2010-2012).

SES' revenue growth does not develop on a linear basis and accordingly SES anticipates recurring revenue growth of approximately 3 per cent. in 2011; recurring EBITDA growth is expected to be in line with the revenue growth.

Revenue will rise strongly thereafter, benefiting from the full year impact of the new capacity launched in 2011.

Other key financial guidance (for 2011):

- Recurring infrastructure EBITDA margin above 82 per cent.
- Services activities EBITDA margin to be in a range of 14 per cent. to 18 per cent.
- Reported tax rate in a range of 10 per cent. to 15 per cent.
- Net Debt / EBITDA ratio will be managed below 3.3 times
- Depreciation is expected in a range of EUR 460 – 480 million (at 1.35 USD)

This guidance excludes any impact of the organisational realignment, which is outlined as follows:

- 2011 – Restructuring cost in range of EUR 10 – 15 million
- 2012 – Payback at a similar range of EUR 10 – 15 million
- 2013 and thereafter – Anticipated synergies to be realised in a range of EUR 20 – 25 million

Note: "Recurring" represents underlying revenue / EBITDA performance by removing currency exchange effects and eliminating one-time items

Trend information

The overall industry trend is seeing a rise in demand for satellite transmission capacity. This is supported by a number of separate business developments as set out below.

- Television channel growth

The increase in the number of television channels has been driven by increasingly efficient compression encoding and the corresponding reduction in per channel transmission costs for broadcasters. This has supported the development of diverse offerings in all markets and in particular the rapid growth of new markets. The introduction of High-Definition (HD) television broadcasting, with its substantially higher bandwidth requirements, comes on top of the underlying growth of Standard Definition channel proliferation. In addition, the increase in the number of DTH platform operators is driving incremental demand for satellite capacity. Currently we are also seeing the nascent arrival of 3D TV, although SES does not expect this format to provide any significant upside until at least 2014, it is an interesting prospect which is currently in the phase where HD TV was in 2003. 3D TV would require 20 per cent.-80 per cent. (depending on the format) additional capacity compared to SD and HD channels.

- Broadband applications

Internet access via satellite is becoming increasingly popular as it provides an effective and cost-efficient means of access for the proportion of the population who are presently unable to access high-quality terrestrial broadband networks. Almost all regions have significant areas unlikely ever to be comprehensively served by terrestrial broadband networks. Mobile broadband applications (land-based, maritime, and aeronautical) are also driving significant increased demand for satellite capacity.

- Government services

Satellites provide secure and broad regional connectivity for government networks, whether providing the core of a network or providing redundancy for terrestrial networks. The leading customer for government services is the U.S. Government, which has a clear strategy of using commercial satellite capacity in preference to building, launching and operating such satellites for its exclusive use. There is also significant potential demand for satellite capacity from other governments.

EXECUTIVE COMMITTEE

Since 1 May 2011 SES has been operating under a new management structure that brought the market-facing entities, SES ASTRA and SES WORLD SKIES, under a streamlined management. As part of the new organisation, the Board of directors revised the composition of the SES Executive Committee, which is now composed as follows:

President	Mr. Romain BAUSCH	President Chief Executive Officer of SES
Members	Mr. Andrew BROWNE	Chief Financial Officer
	Mr. Martin HALLIWELL	Chief Technology Officer
	Mr. Ferdinand KAYSER	Chief Commercial Officer
	Mr. Gerson SOUTO	Chief Development Officer

The business address of each member of the Board of directors and of the Executive Committee is Château de Betzdorf, L-6815 Luxembourg.

Administrative and management bodies conflicts of interests

There are no potential conflicts of interest between the duties to SES of the persons hereabove listed under “Board of Directors” and under “Executive Committee” and their private interests or other duties.

Compliance with corporate governance regime

SES meets all the recommendations made by the “Ten Principles of Corporate Governance of the Luxembourg Stock Exchange” except two. With regard to Recommendation 3.9 stating that any of the committees created by the board should only have advisory powers, the SES board has delegated some decision-making power to the Remuneration Committee. For the full details of these powers, see the charter of the Remuneration Committee on the SES website (www.ses.com).

SES does not follow Recommendation 10.6 either. Under this recommendation, any shareholder who holds at least 5 per cent. of the company’s shares should be able to submit proposals to the board concerning the agenda of the annual general meeting, whereas SES follows the

Luxembourg law in this respect, granting such right to any shareholder who holds at least 10 per cent. of the SES shares. As no registered shareholder currently holds more than 5 per cent., but less than 10 per cent. of the SES shares, this discrepancy between the SES articles of incorporation and Recommendation 10.6 is not considered material.

AUDIT AND RISK COMMITTEE

As part of its overall corporate governance, the Board of directors established an Audit and Risk Committee, which assists the Board of directors in carrying out its responsibilities in relation to corporate policies, internal control, and financial and regulatory reporting practices. The Audit and Risk Committee has an oversight function and provides a link between the internal and external auditors and the Board of directors. The Audit and Risk Committee is composed of six members, four of whom are independent members Board of directors.

The current members of the Audit and Risk Committee are:

Marc Speeckaert, Chairman of the Audit and Risk Committee, (independent);
 Marc Beuls (independent);
 Jacques Espinasse (independent);
 Jean-Claude Finck;
 Gaston Reinesch;
 and
 Karim Sabbagh (independent).

Shareholding

The ratio of Class A shares to Class B shares must be maintained at 2:1 as required by the Articles of Incorporation. The listed security is the Fiduciary Depositary Receipt (**FDR**), listed on the Luxembourg and Euronext Paris Stock Exchanges. Each of these is backed by one A share and has all the rights attaching to that share, except the right of attending General Meetings of shareholders. In order to attend a General Meeting, at least one registered share must be held. Voting rights may be exercised by notifying the Fiduciary (Banque et Caisse d'Epargne de l'Etat) of the voting intention. Of the Class A Shares, 285,112,772 (71.35 per cent. of the economic shares) are currently lodged with the Fiduciary and trade in the form of FDRs. Shares of Class B are held by the Luxembourg state and the public institutions Banque et Caisse d'Epargne (**BCEE**) and Société Nationale de Crédit et d'Investissement (**SNCI**). Class B shares carry 40 per cent. of the economic rights of the shares of Class A. The B shares are not listed on any exchange and do not back a tradable security. SES buys FDRs ("shares") to support Executive Share Option Incentive schemes and as part of its liquidity agreement with BNP Exane. The number of issued shares of each class as at 21 June 2011 was as follows:

SES shareholders ¹	Number of Shares	% Voting Shareholding	% Economic Participation

Sofina Group	18,800,000	3.76%	4.70%
Luxempart S.A.	11,538,264	2.31%	2.89%

Total shares (economic)	399,582,156		

1 Significant shareholdings as of 21 July 2011.

2 Shares of Class B carry 40 per cent. of the economic rights of shares of Class A.

3 These figures have been rounded up to the second decimal, as a result of which the Class B shareholders appear to hold a total of 33.34 per cent. of the voting interest in the Company. The actual total voting interest of the Class B shareholders is, however, one-third.

TAXATION

A. Luxembourg Taxation

The following is a general description of certain tax considerations, under the existing laws of Luxembourg as currently applied by the Luxembourg tax authorities, relating to a holding of the Notes, Coupons and Receipts. It does not purport to be a complete analysis of all tax considerations relating to the Notes, Coupons and Receipts. Prospective purchasers of the Notes, Coupons and Receipts should consult their tax advisers as to the consequences under the tax laws of the country of which they are resident for tax purposes and the tax laws of any other jurisdiction of acquiring, holding, redeeming and disposing of the Notes, Coupons and Receipts receiving payments and/or other amounts thereunder. This summary is based upon the law as in effect on the date hereof and is subject to any change in law that may take effect after such date, and may be retroactively applicable.

Luxembourg tax residency of the Noteholders, Couponholders and Receiptholders

A Noteholder, Couponholder and Receiptholder will not become resident, nor be deemed to be resident, in Luxembourg by reason only of the holding of the Notes, Coupons and Receipts or the execution, performance, delivery and/or enforcement of the Notes, Coupons and Receipts.

Withholding Tax

Resident Noteholders, Couponholders and Receiptholders

A 10 per cent. Luxembourg withholding tax is levied on interest payments made by Luxembourg paying agents to beneficial owners who are Luxembourg resident individuals or to certain entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the European Council Directive 85/611/EEC as replaced by the European Council Directive 2009/65/EC or for the exchange of information regime). This withholding tax also applies on accrued interest received upon disposal, redemption or repurchase of the Notes, Coupons and Receipts. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth.

Further, Luxembourg resident individuals who are the beneficial owners of interest payments made by a paying agent established outside Luxembourg in a Member State of the European Union or the European Economic Area or in a jurisdiction having concluded an agreement with Luxembourg in connection with the EU Savings Directive, and acting in the course of their private wealth, may also opt for a final 10 per cent levy. In such case, the 10 per cent. levy is calculated on the same amounts as for the payments made by Luxembourg resident paying agents. The option for the 10 per cent. final levy must cover all interest payments made by the paying agents to the Luxembourg resident beneficial owner during the entire civil year.

Non-resident Noteholders, Couponholders and Receiptholders

Under the Luxembourg tax laws currently in effect and subject to the application of the Luxembourg laws dated 21 June 2005 (the **Laws**) implementing the EU Savings Directive and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union, there is no withholding tax on payments of interests (including accrued but unpaid interest) made to a Luxembourg non-resident Noteholder, Couponholder and Receiptholder. There is also no Luxembourg withholding tax, upon repayment of the principal, or subject to the application of the Laws, upon redemption or exchange of the Notes, Coupons and Receipts.

Under the Laws, a Luxembourg based paying agent (within the meaning of the EU Savings Directive) is required since 1 July 2005, to withhold tax on interest and other similar income (including reimbursement premium received at maturity) paid by it to (or under certain circumstances, to the benefit of) an individual or a residual entity (**Residual Entity**) in the sense of article 4.2. of the EU Savings Directive (*i.e.* an entity without legal personality except for (1) a Finnish *avoin yhtiö* and *kommandiittiyhtiö* / *öppet bolag* and *kommanditbolag* and (2) a Swedish *handelsbolag* and *kommanditbolag*, and whose profits are not taxed under the general arrangements for the business taxation and that is not, or has not opted to be considered as, an undertaking for collective investment subject to the law of 17 December 2010 (**UCITS**) recognised in accordance with Council Directive 85/611/EEC as replaced by Council Directive 2009/65/EC), resident or established in another Member State of the European Union unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to payments to individuals or Residual Entities resident in any of the following territories: Aruba, British Virgin Islands, Guernsey, Isle of Man, Jersey, Montserrat and the former Netherlands Antilles, *i.e.* Bonaire, Curaçao, Saba, Sint Eustatius and Sint Maarten.

The current withholding tax is 35 per cent. since 1 July 2011. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries. In each case described here above, responsibility for the withholding tax will be assumed by the Luxembourg paying agent.

Noteholders, Couponholders and Receiptholders should note that the European Commission adopted a new draft EU Savings Directive, which, among other changes, seeks to extend the application of the EU Savings Directive to (i) payments challenged through certain intermediate structures (whether or not established in a Member State) for the ultimate benefit of an EU resident individual, and (ii) a wider range of income similar to savings income. Further developments in this respect should be monitored on a continuing basis, since no certainty exists over whether and when the proposed amendments to the EU Savings Directive will be implemented. Noteholders, Couponholders and Receiptholders who are in any doubt as to their position should consult their professional advisors.

Income Taxation

Taxation of Luxembourg non - residents

Noteholders, Couponholders and Receiptholders who are non-residents of Luxembourg and who do not have a permanent establishment or a permanent representative in Luxembourg to which the Notes, Coupons and Receipts are attributable are not liable to any Luxembourg income tax, whether they receive payments of principal or interest (including accrued but unpaid interest) or realise capital gains upon redemption, repurchase, sale or exchange of any Notes, Coupons and Receipts.

Noteholders, Couponholders and Receiptholders who are non-residents of Luxembourg who have a permanent establishment or a permanent representative in Luxembourg to which the Notes, Coupons and Receipts are attributable have to include any interest received or accrued, as well as any capital gain realized on the sale or disposal of the Notes, Coupons and Receipts in their taxable income for Luxembourg income tax assessment purposes.

Taxation of Luxembourg residents

Luxembourg resident individuals

An individual Noteholder, Couponholder and Receiptholder acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax in respect of interest

received, redemption premiums or issue discounts under the Notes, Coupons and Receipts except if a withholding tax has been levied on such payments in accordance with the rules mentioned above.

Under Luxembourg domestic tax law, gains realised upon the sale, disposal or redemption of the Notes, Coupons and Receipts which do not constitute Zero Coupon Notes, Coupons and Receipts by an individual Noteholder, Couponholder and Receiptholder who is a resident of Luxembourg for tax purposes and who acts in the course of the management of his/her private wealth, on the sale or disposal, in any form whatsoever, of Notes, Coupons and Receipts are not subject to Luxembourg income tax, provided this sale or disposal takes place at least six months after the acquisition of the Notes, Coupons and Receipts. An individual Noteholder, Couponholder and Receiptholder who acts in the course of the management of his/her private wealth and who is a resident of Luxembourg for tax purposes, has to include the portion of the gain corresponding to accrued but unpaid income in respect of the Notes, Coupon and Receipt in his/her taxable income, insofar as the accrued but unpaid interest is indicated separately in the agreement. A gain realised upon a sale of Zero Coupon Notes, Coupons and Receipts before their maturity by Luxembourg resident Noteholders, Couponholders and Receiptholders in the course of the management of their private wealth must be included in their taxable income for Luxembourg income tax assessment purposes.

Luxembourg resident individual Noteholders, Couponholders and Receiptholders acting in the course of the management of a professional or business undertaking to which the Notes, Coupons and Receipts are attributable, have to include any interest received or accrued, as well as any gain realised on the sale or disposal of the Notes, Coupons and Receipts in their taxable income for Luxembourg income tax assessment purposes. Taxable gains are determined as being the difference between the sale, repurchase or redemption price (including accrued but unpaid interest) and the lower of the cost or book value of the Notes, Coupons and Receipts sold or redeemed.

Luxembourg corporate residents

Luxembourg corporate Noteholders, Couponholders and Receiptholders must include any interest received or accrued, as well as any gain realised on the sale or disposal in any form whatsoever of the Notes, Coupons and Receipts in their taxable income for Luxembourg income tax assessment purposes. Taxable gains are determined as being the difference between the sale, repurchase or redemption price (including accrued but unpaid interest) and the lower of the cost or book value of the Notes, Coupons and Receipts sold or redeemed.

Luxembourg residents benefiting from a special tax regime

Luxembourg Noteholders, Couponholders and Receiptholders who benefit from a special tax regime, such as, for example, (i) undertakings for collective investment subject to the law of 17 December 2010 or (ii) specialized investment funds subject to the law of 13 February 2007 or (iii) family wealth management companies governed by the law of 11 May 2007, are exempt from income taxes in Luxembourg and thus income derived from the Notes, Coupons and Receipts as well as gains realized thereon, are not subject to income taxes.

Net Wealth Tax

Luxembourg resident Noteholders, Couponholders and Receiptholders, and Noteholders, Couponholders and Receiptholders who have a permanent establishment or a permanent representative in Luxembourg to which the Notes, Coupons and Receipts are attributable, are subject to Luxembourg net wealth tax on such Notes, Coupons and Receipts, except if the Noteholder, Couponholder or Receiptholder is (i) a resident or non-resident individual taxpayer, (ii) an undertaking for collective investment subject to the law of 17 December 2010, (iii) a securitization company governed by the law of 22 March 2004 on securitisation, (iv) a company governed by the

law of 15 June 2004 on venture capital vehicles or (v) a specialized investment fund governed by the law of 13 February 2007 or (vi) a family wealth management company governed by the law of 11 May 2007.

Other Taxes

There is no Luxembourg registration tax, stamp duty or any other similar tax or duty payable in Luxembourg by the Noteholders, Couponholders and Receiptholders as a consequence of the issuance of the Notes, Coupons and Receipts nor will any of these taxes be payable as a consequence of a subsequent transfer of redemption or repurchase of the Notes, Coupons and Receipts.

There is no Luxembourg value added tax payable in respect of payments in consideration for the issuance of the Notes, Coupons and Receipts or in respect of the payment of interest or principal under the Notes, Coupons and Receipts or the transfer of the Notes, Coupons and Receipts. Luxembourg value added tax may, however, be payable in respect of fees charged for certain services rendered to the Issuer, if for Luxembourg value added tax purposes such services are rendered or are deemed to be rendered in Luxembourg and an exemption from Luxembourg value added tax does not apply with respect to such services.

Under current Luxembourg tax law, where an individual Noteholder, Couponholder or Receiptholder is a resident for inheritance tax purposes of Luxembourg at the time of his/her death, the Notes, Coupons or Receipts are included in his/her taxable estate for inheritance tax purposes. Gift tax may be due on a gift or donation of Notes, Coupons and Receipts if the gift is recorded in a deed passed in front of a Luxembourg notary or otherwise registered in Luxembourg.

B. United States Taxation

The following is a summary based on present law of certain U.S. federal income tax considerations for prospective purchasers of the Notes. It addresses only Non-U.S. Holders that hold Notes as capital assets. It does not consider the circumstances of particular purchasers, such as entities treated as partnerships or trusts for U.S. federal income tax purposes, that are subject to special tax rules. The discussion is a general summary. It is not a substitute for tax advice. It assumes the Notes will be treated as debt for United States federal income tax purposes.

THE STATEMENTS ABOUT U.S. FEDERAL TAX CONSIDERATIONS ARE MADE TO SUPPORT THE MARKETING OF THE NOTES. NO TAXPAYER CAN RELY ON THEM TO AVOID TAX PENALTIES. EACH PROSPECTIVE PURCHASER SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISOR ABOUT THE TAX CONSEQUENCES UNDER ITS OWN PARTICULAR CIRCUMSTANCES OF INVESTING IN THE NOTES UNDER THE LAWS OF LUXEMBOURG, THE UNITED STATES AND ITS CONSTITUENT JURISDICTIONS, AND ANY OTHER JURISDICTIONS WHERE THE PURCHASER MAY BE SUBJECT TO TAXATION.

In this discussion, a **Non-U.S. Holder** is a beneficial owner of a Note that is not for U.S. federal income tax purposes (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity organised in or under the laws of the United States or its political subdivisions, (iii) a trust subject to the control of a U.S. person and the primary supervision of a U.S. court or (iv) an estate the income of which is subject to U.S. federal income taxation regardless of its source.

Withholding Tax

Interest paid to a Non-U.S. Holder on a Note issued by SES will be exempt from U.S. withholding tax. Interest paid to a Non-U.S. Holder on a Note issued by SES Americas on or before 18 March 2012 will be exempt from U.S. withholding tax if (i) the Non-U.S. Holder does not actually

or constructively own as much as 10 percent of an Issuer's voting shares or in the case of SES Americas, capital or profits interests, (ii) the Non-U.S. Holder is not a controlled foreign corporation related to an Issuer through share ownership, (iii) the Non-U.S. Holder is not treated as a bank holding a Note as an extension of credit in the ordinary course of its banking business for U.S. federal income tax purposes and (iv) payments on the Notes are not contingent interest ineligible for the portfolio interest exemption from U.S. withholding tax (generally interest determined by reference to income, profits, cash flow, sales, dividends or other similar attributes of an issuer or any related person).

Interest paid to a Non-U.S. Holder on a Note issued by SES Americas after 18 March 2012 will be subject to U.S. withholding tax unless (i) the Note has a maturity of 183 days or less and (ii) the Note has a minimum denomination of not less than U.S.\$500,000 (or, if issued in a currency other than U.S. dollars, the equivalent amount in such currency determined based on the spot rate on the date of issuance).

If the Non-U.S. Holder is an entity treated as a partnership or trust for U.S. federal income tax purposes, interest paid to it may be subject to U.S. withholding tax unless all of its partners or beneficiaries can satisfy the conditions for exemption.

Net Income Tax

If a Non-U.S. Holder is engaged in a trade or business within the United States, interest on a Note (although exempt from U.S. withholding tax) will be subject to U.S. federal income tax on a net income basis if it is effectively connected with the holder's conduct of the U.S. trade or business (or, where a tax treaty applies, attributable to the holder's U.S. permanent establishment).

Gain realised by a Non-U.S. Holder on the disposition of a Note will not be subject to U.S. tax unless (i) the gain is effectively connected with the holder's conduct of a U.S. trade or business (or, where a tax treaty applies, attributable to the holder's U.S. permanent establishment) or (ii) the holder is an individual present in the United States for at least 183 days during the taxable year of disposition and certain other conditions are met.

Information Reporting and Backup Withholding

Payments of principal and interest on the Notes, except for interest exempt from United States income tax, and proceeds from the sale or other disposition of a Note may be subject to United States information reporting and back up withholding if the sale or payment is effected through a U.S. broker or another middleman with certain connections in the United States. Any amount withheld may be credited against a holder's U.S. federal income tax liability or refunded to the extent it exceeds the holder's liability.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise (which is the case of Belgium)) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

A number of non-EU countries and dependent or associated territories of certain Member States have adopted similar measures to the Savings Directive.

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the relevant Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuers are required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement dated 19 September 2011 (the **Programme Agreement**), agreed with SES and SES Americas a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*”. In the Programme Agreement, SES and SES Americas have agreed to reimburse the Dealers for certain of their expenses in connection with any update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

United States

The Notes and the guarantees have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in these paragraphs have the meanings given to them by Regulation S.

The Notes are in bearer form that are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended, and regulations thereunder.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (a) as part of their distribution at any time or (b) otherwise until 40 days after the later of the commencement of the offering or the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each distributor, dealer or person receiving a selling concession, fee or other remuneration to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes, other than Notes with an initial maturity of one year or less (or 183 days or less in the case of Notes issued by SES Americas) will be issued in accordance with the provisions of either U.S. Treasury Regulation section 1.163-5(c)(2)(i)(D) (the **TEFRA D Rules**) or, in the case of Notes issued by SES, the TEFRA C Rules, as specified in the applicable Final Terms. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder, including the TEFRA D Rules and TEFRA C Rules. Notes issued by SES Americas with maturities at issuance of 183 days or less that are intended to comply with U.S. Treasury Regulation section 1.6049-5(b)(10) will be issued in compliance with the TEFRA D Rules (excluding the certification requirement) and will have a minimum denomination of not less than U.S.\$500,000 (or, if issued in a currency other than U.S. dollars, the equivalent amount in such currency determined based on the spot rate on the date of issuance).

In addition, where the TEFRA C Rules are specified in the Final Terms as being applicable to any Tranche of Notes, the Notes must, in accordance with their original issuance, be issued and delivered outside the United States and its possessions and, accordingly, each Dealer represents,

warrants and undertakes to the Issuer that, in connection with the original issuance of such Notes: (a) it will not offer, sell or deliver, directly or indirectly, any Notes within the United States or its possessions or to a United States person; and (b) it will not communicate, directly or indirectly, with a prospective purchaser if such Dealer or such prospective purchaser is within the United States or its possessions and will not otherwise involve the United States office of such Dealer in the offer and sale of Notes.

In addition, in respect of Notes issued in accordance with the TEFRA D Rules, each Dealer has represented, warranted and undertaken that:
